

Sponsorship Packet

2024-2025

The Ohio State University

National Society of Black Engineers

National Society of Black Engineers

Mission, Vision, and Goals

Our Mission

The mission of the National Society of Black Engineers is “to increase the number of culturally responsible Black Engineers who excel academically, succeed professionally and positively impact the community.”

Our Vision

We envision a world in which engineering is a mainstream word in homes and communities of color, and all Black students can envision themselves as engineers. In this world, Black people exceed parity in entering engineering fields, earning degrees, and succeeding professionally.

Our Chapter Goals

- Increase presence, involvement, and engagement with our sponsors.
- Partner with companies covering a more diverse range of Engineering majors and career paths.
- Allocate more funds to programming, and less on travel costs.
- Host more engaging and interactive social events to increase member retention and engagement.
- Increase sense of belonging, and continue fostering a welcoming community to all.

Company Sponsorship Levels

	Scarlet (\$3,000+)	Gray (\$1,500+)	Brutus (\$500+)
Receive our Resume Book			
Company logo listed in weekly Newsletter, Website and other Social Media
